The 1972-73 school year was a very busy one for the SCHS vocal music department, under the direction of Bruce Bunger. On October 28th, 12 choir members auditioned for the All-State choir, and three were selected. A considerable amount of time was spent on the musical production "Thirteen Clocks," which was presented November 10 and 11. On December 15 the choir traveled to Sioux City and sang on KTIV. This year a new group called the madrigals was formed. The mixed chorus, choir, minstrels, and madrigals performed in the Vespers Concert on December 17. In the spring four members participated in Tall-Corn. On March 5, the department did two performances of the second annual Rock Pop Jazz Concert. The minstrels made several appearances for various organizations. There was also a spring concert in May. As a project to raise money for robes, the choir sold school calendars.

A business meeting

F.T.A. has helped with various things this year. One of the first things they did was to substitute for grade school teachers who were leaving early to attend a meeting. This experience helped members to learn more about their future occupation. Next, F.T.A. sold concessions for the Howard Activity Center at the KIOA High Hooper game. In the spring they assisted during the Kindergarten Round-up.

Bali Hai

Jr.-Sr. Prom

The gym was beautifully decorated with grass huts and palm trees to capture the mood of "Bali Hai." This was accented by the serving of roast pig and other Hawaiian food at the banquet. Afterward everyone proceeded to the gym to dance to the pulsating sounds of "Listen." The night was a success and was enjoyed by everyone.
